A detailed historical map of Porto, Portugal, from the year 2000. The map shows a dense urban layout with various colored areas representing different land uses or administrative zones. Two specific areas are highlighted with red dashed lines: UOPG 11 - FONTINHA on the left and UOPG 12 - DOZE CASAS on the right. The map includes numerous street names and labels for various buildings and landmarks. The overall style is that of a traditional cadastral or historical map.
